## Report of County Commissioners

---

To the Citizens of Coos County:

It is with pleasure that we bring the annual Report of the affairs of Coos County to you. There is an unexpended balance in the Budget for 1966 — some items exceeded our estimates, while others were considerably less. The largest balance is in the Poor Off Farm category. This reflects the improvement in the economy of the County, which we hope will continue. We have had to meet several emergency expenditures as well as some needed repairs. An extensive roofing job was completed on the Berlin Court House as well as a renovation of the ceiling in the Court Room. A new roof was installed on the vault for the Register of Probate. There was replacement of much farm equipment at the County Farm. Emergency expenditures included extensive repairs to the elevator at the County Farm; and the conversion from coal to oil for the heating system at the Lancaster Court House; replacing a worn out system. We appreciate the fine cooperation we have received from the County Delegation and all County personnel.

Respectfully submitted,

RENE BERGERON, Chairman

NORMAN BRUNGOT

DANA LEE

## Report of Superintendent

---

To the Honorable Board of County Commissioners  
and the Citizens of Coos County:

We have had a very active year here at the Coos County Institution. There were:

- 802 Hospital admissions with 6,674 patient days
- 44 Nursing Home admissions with 9,873 patient days
- 28 Rest Home admissions with 7,227 patient days
- 64 Jail admissions with 359 jail days
- 47 House of Correction admissions with 3,465 days

There were 107 Births, 165 Operations, 2,115 Out patient visits, 868 X-ray examinations, 3,042 Laboratory tests, 129 Electrocardiograms taken, 52 Transfusions given and 125,898 meals served.

July first the Hospital was certified for Medicare on an "access basis" as there was no other hospital near for the use of Medicare patients. The Nursing Home can not be certified for Medicare at this time as it requires a separate staff for Medicare, to figure the cost separately. When a new hospital is built in the area it may be possible for the Institution to become an Extended Care Facility for Medicare.

We thank all the individuals and organizations who helped to make it a pleasant yer for the residents of the County Home.

Respectively submitted,

ERWIN S. LURVEY, Superintendent  
ILEDA R. LURVEY, Administrator

I am sincerely appreciative of the capable aid and assistance received from the Coos County Sheriff's Department, headed by Sheriff Emile Martineau; the State Police, particularly the personnel of Station F, Commanded by Captain Joseph Duranty; and the police departments of each and every community in this County. Through their hard work and dedication to duty, the lives and property of the citizens of this County have been and will continue to be protected.

It has been a privilege to serve the citizens of Coos County as their County Attorney for the past two years. The duties and responsibilities associated with this office are important and far-reaching, but the satisfaction which I derived from serving as County Attorney, made every effort worthwhile.
